Get Involved in a LIFE GROUP

Life Groups are a great environment for relationships to grow, deepen, and for us to encourage one another to be disciples of Jesus and to make disciples.

Our Life Groups reflect how we share *life* together as we grow spiritually. We live out our God given purpose of being and making disciples of Jesus through out all of our lives. Following Jesus and the relationships we have with one another are not intended to only be a once a week encounter in a home. This is where Jesus and real life meet together. We get to do that together in life!

If interested in joining a Life Group,
Contact Marc Grindle at (608) 752-5898.
